

Social Marketing

Reach your audience. Be heard online.

Stay in touch with Social Marketing

Schedule content for all of your networks at once, generate new leads, and interact with your existing client-base - all within the same innovative social media tool.

One place for all your social networks

Reach your users wherever they are. With Social Marketing, you can post to Facebook, Twitter, Instagram, Google My Business and LinkedIn - all from one place.

Intelligent lead generation

Set up smart lead searches based on your chosen keywords and location, allowing you to find customers looking for businesses like yours.

Social reporting & analytics

Find out how your business is performing with post breakdown, audience reporting, and KPIs that identify the success of your social media strategy.

Content library

Easily find content for your followers using the built in library. This is constantly updated with new articles and material for you to share with your social audience.

Video and image support

Be your best social media self with image and video capability.

Pixabay integration

Social Marketing features royalty-free image searches, allowing you to find images without the hassle.
